Figuring in Books in Your Real Character Not Pleasant. om the Kansas City Star.

vantage. It is unlikely that the matter will come into court. Men have a way of shrinking from the attentions of the inquisitive (lawyer, even when there is nothing very black in their past careers. But it is to be hoped that there will be no spread of the practice exhibited by the novelist in this affair. It is conceivable that awkward complications might arise if a large number of us were made to figure in novels under our own names and in som thing like our own characters. A man's wife, for instance, might be far less gratified than obliged by finding in one of the novels from the circulating library a guide to her husband's past. From the point of view of literary ethics, this sort of ultra-realism is indefensible. But the

In the gringo days, the days of old, the days of gold, the days of '49, amusements and recreation in California could only be found in the mining towns when a strolling singer made an appearance in some saloon, the admission fee paid by frequent visits to the bar. The words were set to well-known ballad tunes, and if the singer "caught on" he or she was rewarded by small nuggets thrown on the improvised table stage. As the old record says, they were

was added the landlord's warning call 'Come, come, gents; don't let the bar-

WHEN FAME IS UNWELCOME.

What is a man to do when a literary equaintance puts him into a novel under his actual name and address and in such a way as to reveal a certain amount of his past? A case of this kind has just occurred in London and the victim is somewhat puzzled how to proceed, especially as the offender's size makes risky any appeal to a mild version of the unwritten law. There appears to be nothing that can be construed as positively libelous in the picture drawn of him. yet it by no means displays him to ad-

author in the case mentioned is not much troubled by such considerations.
